A Resource Evening**

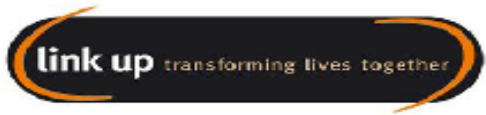

Date: 19/11/2009

Time: 7:30pm

@ Mansfield Road BC

**from
the NSG Planning Team**

On this evening you will receive a preview of some resources from BMS World Mission that you may find useful in your own church.

Dear all,

Greetings from NSG Planning Team.

Many thanks to Ruth who gave a fantastic presentation of her short term mission to Kolkata in the last meeting. We had a good turn up with a couple of new BMS reps attending to join the fellowship, and... all the Christmas cards were sold out eventually. The monies raised have been returned to BMS World Mission. A Big THANK YOU to all who attended.

Our **next regular meeting** will be a Resource Evening. The planning team will highlight some BMS resources you might find useful in your church settings. Please come and join us.

I'd like to draw your attention to **a few prayer items**:
The Sandersons' 'baby to be' is currently suffering from a heart defect and Joan Woodyer is still under treatment for Malaria. Please hold these individuals in your prayers.
Please pray also for the planning team. Both Helen and Connie are stepping down from their offices at the next AGM. We would need nominations for a new chairperson and secretary before the meeting in February. We would also like to recruit more team members. If there is anyone interested in joining the planning team, you are welcomed to come and observe our planning meetings without commitment. Just contact Connie to arrange.

Hope to see you all again at the meeting and God bless.
